Announcing: The Most Popular Daylilies For Your Growing Area!

Chapel Hill, NC – March 5, 2008. The American Hemerocallis Society (AHS) has announced the most popular daylilies for 2008 as voted on by the members. The annual Popularity Poll presents a true picture of which daylilies perform well in a given area and are favorites of the membership. The Popularity Poll is important to all daylily growers (both AHS members and nonmembers alike) in their selection of daylilies for purchase. The following eleven varieties represent the cumulative winners from the nearly 2000 votes cast in all the geographic regions of the US and Canada. Details of the winners by geographic region are available on the AHS website at www.daylilies.org.
