Open Forum Instructor Leader

- An informal, unstructured discussion will be held between judges and instructors to address a variety of topics and issues which affect or might affect Exhibition Judging. Pertinent feedback from this dialogue should be documented and returned to the AHS Judges Education Chairman.
- Topics for discussion might include: situations not covered by current rules and standards which could result in official clarification or changes to Judging Daylilies Handbook; advancements in hybridizing such as breakthroughs in form, size, pattern, or color which might impact judging; and cultivation techniques or regional environmental conditions which could cause cultivars to appear different from the registered description.
- Instructors will maintain control of all discussions so that the shared experiences remain positive and of general value to all.
